Friday 6th October 2023

Football teams!

- The year 5s and 6s recently took part in football trials to decide the girls and boys teams for the school. Everyone worked so hard and showed great skill and behaviour.
- 8 have been chosen for each team and they will take part in tournaments throughout the year, representing St Mary's. We can't wait to see how they get on!
- Eve: *"I was so happy to be picked for the team and now I am really excited to start training and take part in our first match next week!"*

Piano

Ms Karina is offering piano lessons! Please speak to the office if interested.

Year 4

In Year 4, our class enjoys collaborating with each other to share our mathematical thinking. We engage with an image and notice all the maths we can see, for example: *I know there are 100 because it is 10 groups of 10*. Our class learns maths in different ways to showcase our unique understanding of various strategies and how we approach different problems

*"I enjoyed writing and I liked finding different answers"*Kamber

*"I liked how we all collaborated"*Maria E

Uniform

The children can begin to wear their winter uniform from Monday.

Phonics workshop

Thank you to the parents who attended the Phonics workshop! We hope it was insightful and that you were able to take away lots of tips at home to support your child with their reading.

Year 3

In year 3 they have been learning about light and reflection. They tested different materials by shining a torch onto them to see if light would reflect off. They then had to design a school bag and choose a material to use on the bag to make it reflect, ensuring children stay safe.

Early Reading workshop

Miss Weston will be leading an early reading workshop Thursday 12th October at 9am. She will go through how we teach reading and how best to support your child. We hope to see many of the early years parents there. Please enter through the school office.

Dear parents/carers,
I invite you to join me on the 11th October for a maths curriculum parent workshop in the hall at 9:00 - 9:30am

I will communicate to you all:

- How we teach maths at St Mary's
- Key assessments and assessment dates for this academic year
- Resources and strategies to help your child at home

I will provide a resource pack with key information from the presentation. I hope to see as many families there as possible.

Kindly,
Mr Howell

Congratulations to our winners this week!

Head Teachers Award:
Jamal in Y1

Stars of the week:
Reception: Ethan
Y1 Jax
Y2: Zendaya
Y3; Ethan Jones
Y4: Emelia
Y5: Omar
Y6: Myla

House Points and Green stickers

1st place	JF	105
2nd place	TM	72
3rd place	A	70
4th place	E	50

Green stickers

Y4 and Y5

- First bronze award
- Venice Rose Y3

Attendance and Punctuality

Attendance Y1 94.9%
Punctuality Y4 99.5%

*With every blessing,
Miss Black and the staff of
St Mary's*
