## NURSERY

Nursery invited in Risamicha's mummy to talk to the children about where she is from. She was very kind to show us the traditional clothing of the Philippines, and their national flag. She also taught the children how to say hello, good morning, thank you, and how to count 1-5 in Tagalog.

"I think she looks like a princess in her dress" Azaiah

"My favourite part was learning about the yo-yo (Pilipino invention)" says S

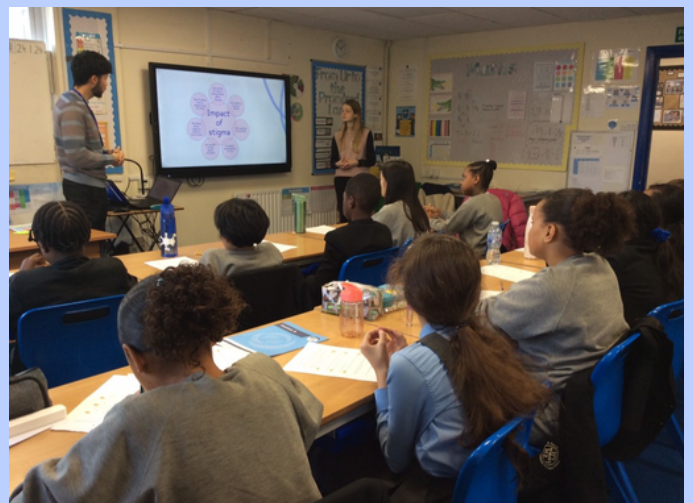

## YEAR 6

Children had a lesson on mental health issues, the stigma related to mental health and who to turn to if we think we struggle with mental health.

"I learned that we not only have physical health but also mental health. Mental health has to do with our emotions both positive and negative. Most of the time people can't tell if someone has mental health problems." Cleo

"Many celebrities although you can't see it on the photographs have mental health problems. There used to be lots of stigma about mental health but nowadays people are talking more about it." Myla

## YEAR 1

Year 1 were learning to name different jungle animals and to form simple sentences using simple verbs related to these animals eg: El

Leon ruge. (The lion roars)

"I know the lion roars in Spanish is - El Leon ruge." Isla

"We completed a colouring sheet with the three jungle animals we have learned so far, the lion, the elephant and the monkey. We also know the actions." Omari

## YEAR 4

Today in Music Year 4 learnt how to play the recorder and began practicing playing hot cross buns.

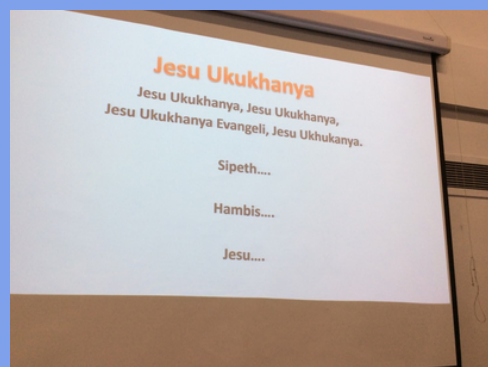

"We learnt how to play B A G on the recorder. I had to really concentrate when I was playing mine." Grigoris

## YEAR 2

Today the children learned a new song called Jumbo. The children also learned the song Jesu Ukukhanya and sang some more call and response lyrics.

"We sang the introduction and had to stand up and sing hello to everyone and they sang hello back." Kaleb

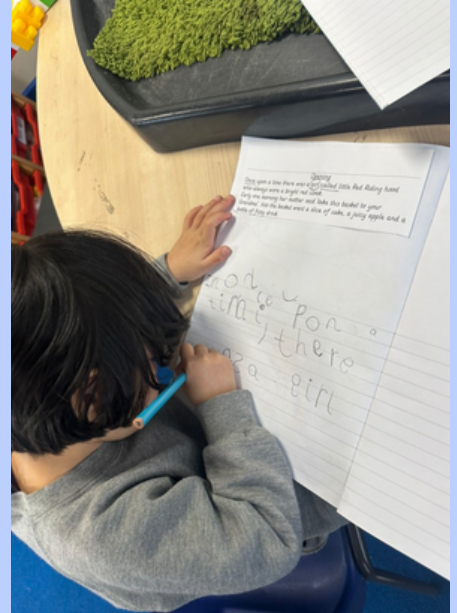

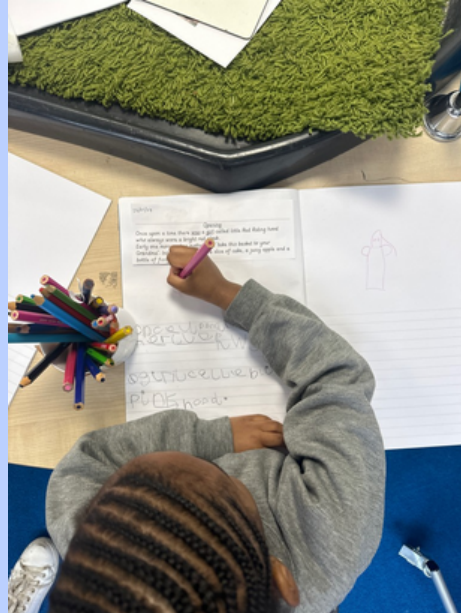

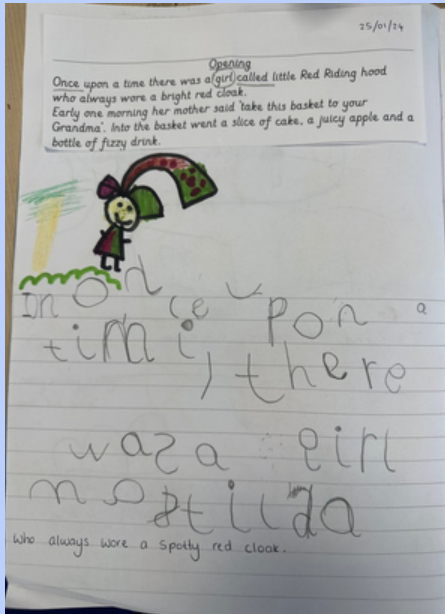

## RECEPTION

Ethan, Alex and Natari did a great job with their story writing. They worked hard to retell the story of Little Red Riding Hood.

"Look Miss Weston, I remembered my big finger space!" Ethan

## NURSERY

Nursery practised writing the 's' sound in their Phonics lesson. Don't forget to keep practising the "s" sound on a plate of flour or salt using your index finger. This is a great way for children to start off, especially if they find holding a pencil a little challenging.

"I did the sound 's'!" Azaiah
