

Religious Education From Easter to Pentecost

Key areas of learning

- The liturgical colours for Easter are white and gold.
- The women go to the tomb on the Sunday morning. They brought myrrh and frankincense to anoint Jesus' body.
- On their way, there is a violent earthquake.
- The stone has been rolled back and there is an angel of the Lord sitting on the stone.
- The guards are so scared and the angel says, "Do not be afraid as I know you are looking for Jesus." The angel said, "he is not here, he has risen!"
- The angel tells the women to go back and tell the disciples that Jesus has risen from the dead and has gone back to Galilee.

Computing

Creating Media – Digital Music

Key areas of learning

- To say how music can make us feel
- To identify that there are patterns in music
- To experiment with sound using a computer
- To use a computer to create a musical pattern
- To create music for a purpose

Science

Plants

Key areas of learning

- A plant is a living thing that grows in one place such as an oak tree, a sunflower or a tomato plant.
- The root of a plant is the part that acts as an anchor, fixing the plant into the ground. Roots also absorb water to help the plant to grow.
- The stem is the part which grows above the ground. The leaves and flowers grow from it. The stem is also used to transport water around the plant.
- A plant's leaves absorb sunlight and turn it into energy that the plant uses to grow.
- A seed is the small part of a flowering plant that can grow into a new plant.
