YEAR 5

Into university workshop attended by year 5 was held today at their headquarters in Fulham. The children arrived and played some warm up games to break the ice. They then got stuck into learning in groups on a carousel about the various different aspects of University and what it entails from accommodation to courses to cities and societies. The workshop lasted for 2 hours and the children were very enthusiastic and learnt lots and can now all confidently talk about what a university is.

Lieleawit: "I loved the university workshop and can't wait to go back in April."

Omar: "It was really interesting learning about the clubs and hobbies you can do at University."

YEAR 1

Year 1 created some art work for Holy Week.

They enjoyed drawing the cross and colouring the background with beautiful colours.

EYFS

The children learnt all about the Last Supper and re-enacted the story together as a class.

Steven: "It was the last meal he ate before he was going to go to die on a cross".

Cairo: "Eat this bread it is my body".
