

## Year 4 Art Curriculum Map

Collage		Textiles	
Lesson 1	<b>Collage:</b> To create a variety of experiments using paper to create different collages. <b>Theme:</b> Introduction to collage and experimentation with paper.	Lesson 1	<b>Textiles:</b> To focus on the different ways we use textiles around our homes and how they are constructed. <b>Theme:</b> What are textiles?
Lesson 2	<b>Collage:</b> To use a cupcake structure to collage upon. <b>Theme:</b> Experiment with layering to create 4 collaged cupcakes.	Lesson 2	<b>Textiles:</b> To look at the importance of pattern and how pattern can be incorporated into weaving. <b>Theme:</b> What is weaving?
Lesson 3	<b>Collage:</b> To use a stand, cake and topping to create twenty line-drawings of cakes. <b>Theme:</b> Experiment with fine-line drawing and pattern to create 20 cake ideas.	Lesson 3	<b>Textiles:</b> To learn what sewing and embroidery are and how they are used to create patterns. <b>Theme:</b> What are sewing and embroidery?
Lesson 4	<b>Collage:</b> To create a selection of coloured surfaces and develop textures that are inventive and unique. <b>Theme:</b> Create surfaces to be used for collage (in next lesson).	Lesson 4	<b>Textiles:</b> To plan and create our own piece of work using applique. <b>Theme:</b> What is applique?
Lesson 5	<b>Collage:</b> Build multiple cakes using the prepared collaged surfaces from the previous lesson. <b>Theme:</b> Create a 2D collaged cake stand using your textured surfaces.	Lesson 5	<b>Textiles:</b> To learn what embellishment is and how to embellish our own work. <b>Theme:</b> How can I embellish my textiles?
