

St. Mary's Catholic Primary School

Subject: Geography

Topic: Let's Explore London

Year: 1

What should I already know?

- To identify where you live.
- To talk about the features of my own immediate environment.
- To know about similarities and differences in relation to places.

What am I going to learn?

- To name and locate London.
- To identify key features of London.
- To compare London to Wiltshire.
- To write a recount of a trip on a London bus.
- To write a London story.

Vocabulary

London: The capital city of England.

Address: A place where someone lives.

Countryside: Is an open field with grass and animals. It does not have a lot of buildings or people.

Phone box: A telephone box in the street where you can make a phone call.
