

Co-Chair

I am Susan Clancy (Sue), mother of Emily in Year 5 and Ryan in Reception. I have been an active member of the PTA for nearly 6 years and I'm delighted that the PTA has continued to grow and see new members each year.

My background is in IT Accounts Administration for large corporate banks and I'm currently working for an international recruitment company. I thoroughly enjoy organising the PTA events and I'm delighted that I get to do it again this year with such lovely parents. I hope the PTA continues to grow in numbers and that with the continued support of the school and parents we can give our children some great memories of their time at St. Mary's.

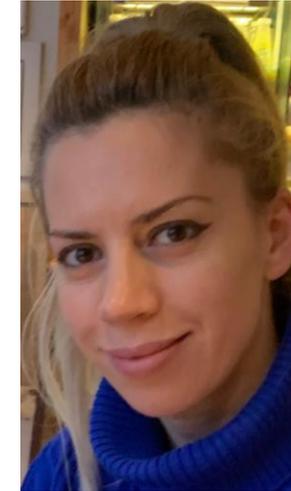

Co-Chair

I am Corinne Darroux, mother of Chiara in Year 1 and Livia in Nursery.

I have volunteered to join St Mary's PTA this year as Co-Chair, where I look forward to collaborating ideas with other parents so we can continue to deliver exciting events which the children love and raise much needed funds for our school.

I have a creative background, with a degree in 'Costume' from the London College of Fashion. I worked for many years making costumes for carnivals and theatre, travelling around the world. In recent years I have gone into many different roles but mainly as a freelance 'Arts Facilitator' to both children and the elderly. I hope with my creative skills and drive for the best, I can positively contribute to the PTA.

Treasurer

I am Gianina Tanaj, mother of Armend in Year 3 and Kamber & Ariana in Reception.

I graduated Law School with a degree in Commercial Law at the Police Academy in Bucharest. In London I've been working as Assistant General Manager in the Hospitality Industry for almost 10 years where I developed excellent communication and interpersonal skills, confidence in working as part of a team.

I am determined and enthusiastic with the ability of multi-task, efficient and attentive to detail.

Joining the PTA is an opportunity for me to get together with the other parents, teachers and pupils, to improve not only my children's time at school but the experiences of the rest of the pupils there too. I am really enjoying being involved with the school and our community (my kids love it too 😊). I've got a great satisfaction from being part of a team that works towards that little extras for our children and provide further experiences creating priceless memories.
