

PE and Sport at St Mary's Catholic Primary School

The PE and Sport Premium is funding that the Government gives to schools specifically with the aim of improving physical education and sport.

At St Mary's, we value sport and the role it plays in promoting health and well-being. This statement outlines how we are using the funding we have been given, to ensure all pupils at our school have a diverse range of opportunities to learn different sports, both competitive and non-competitive promoting an active lifestyle through exercise and healthy eating.

- At St Mary's Catholic Primary School, we recognise the contribution of Physical Education (PE) to the health and well-being of the pupils. We believe that an innovative, varied PE curriculum and extra-curricular opportunities have a positive influence on the concentration, attitude and academic achievement of all our pupils.
- Physical Education and sport clearly contribute to the holistic development of young people and through participation in sport and physical education, pupils learn more about key values such as teamwork, fair play and respect for themselves and others.
- There is significant evidence to show the positive effects of sport and exercise on pupils' physical health, growth and development. Furthermore, sport also provides a healthy environment for young people to learn how to deal with competition and how to cope with both winning and losing.

Covid-19:

- At St Mary's Catholic Primary School, our overarching aim will be to continue to improve the quality and breadth of PE provision for all pupils, raising achievement and ensuring a lasting impact.
- During the Covid-19 pandemic, a vast majority of our pupils did not have access to outdoor spaces or physical exercise. With this in mind, the school has decided to capitalise further on our sports provision. We will aim to harness the potential of sport for social good so that the pupils understand how sport can have a meaningful and measurable impact on improving their lives.

What is the Sports Premium?

The government has confirmed that the Primary PE and Sport Premium funding will continue at £320 million for the 2020/21 academic year.

Purpose of the Funding:

Schools will have to spend the sport funding on improving their provision of P.E and sport But will have the freedom to choose how to do this.

Possible uses for the funding include:

- Providing targeted activities or support to involve and encourage the least active children;
- Encouraging active play during break times and lunchtimes;
- Establishing, extending or funding attendance of school sport clubs and activities and holiday clubs, or broadening the variety offered;
- Adopting an active mile initiative;
- Raising attainment in primary school swimming to meet requirements of the national curriculum before the end of key stage 2. Every child should leave primary school able to swim.

Total amount received 2019-20: £17,900

Objective	Initiative	Impact	Cost
To further improve the provision of PE across the school ensuring that all children have access to high quality lessons	Hiring coaches and specialist teachers to deliver quality lessons to the children	Children have access to quality PE lessons and both their skills and interest in sport/activity will have improved due to this	Dance: £2,000 Cricket: £1,500 Coaches: £5,000
To increase the range of sports/activities pupils competitively participate in.	Pupils will enter more of a variety of sports competitions in H&F	Pupils will have access to different sports/activities	£2,000 Coaches time
To continue to increase participation in local competitive games that are run through H&F	Children will be competitive when entering competitions with other local schools. They will have been involved in training sessions in school	Children will participate in more local competitions and will be competitive when doing so	£2,000 – coaches time £1000 – entry into PE SLA
PE Leader in school is effective in ensuring provision is of a high quality.	PE leader attends training with LA and knows the subject well and can monitor effectively.	PE across the school is of a very high quality.	£600
To continue to improve the quality of the equipment provided for sporting activities	We will continue to upgrade sports equipment as required	Children have quality equipment to use in sporting activities and show appreciation and respect for this. This sense of pride has an impact on the success the children feel when participating in sports	£2,000
To encourage sport and active play at lunchtimes.	We will encourage high levels of activity by training adults to lead games and by ensuring the equipment is high quality.	Pupils will be actively engaged in a range of sports activities which will further develop their skills and fitness levels.	£1,000

Year 6 Swimming 2019-20:

Skill	Percentage of pupils
Swim competently confidently and proficiently over a distance of at least 25 metres	69%
Use a range of strokes effectively, e.g front crawl, back stroke	62%
Perform safe self-rescue in different water-based situations	58%
Total cost of swimming lessons:	£1897

Plans for 2020-21:

- Further sports equipment purchases
- Participate in ongoing H&F local sporting events
- Develop stronger links and promote local clubs that our children are involved in – through our children, eg developing a Sports Leader programme in school
- Continue to use our PPA provision for the development of sports skills through the use of sports coaches
- Continue to use proficient external coaches to provide sessions for children such as dance and cricket
- Involvement in active initiatives such as, 'the mile run'
- Health and Fitness week to be organised for the summer term
- More training for PE Subject leader

St Mary's continues to be committed to providing high quality PE and Sports Provision and to spend over the allocated government budget.
