September and October 2024

Year 1

Year 1 started their first lesson of drama with a "do this and do that" game. They played some warm up games of being a pirate before they used a magic wand to create something such as a toothbrush or lolly pop.

Basma: I was a pirate

Joel: *We listen with our eyes*

Elsie: *In drama we are brave*

Year 6

An introduction to tennis in Y6.

The children warmed up and did various forehand exercises and drills. They all enjoyed themselves and were pleased to be involved in the games.

Seena: *We learned about the importance of hand-eye coordination in tennis. This helps us to keep the ball for longer periods of time.*

Jude: *I felt quite confident plying tennis as I have done a bit of practice before. I did some rallies with Kebby and we had fun.*

Year 5

Y5 played team games and worked on their team skills in PE this week. They all enjoyed themselves working together and communicating.

Rayan-Ahmed: *I like football and it's fun.*

Hirad: *I enjoyed that I can play football and I can do some sports.*

Emelia: *I like getting the ball by using my defending and striking skills.*

Year 2

In music this week, Miss Howard put Y2 into groups and gave them a piece of paper telling them to use the tempo to sing the song "The Grand Old Duke Of York".

Kaliyah: *We had to sing really slowly in largo.*

Jax: *We had to sing really really fast. It was so funny!*

Year 3

Year 3 learnt about endoskeletons and exoskeletons in Science this week and came up close to a model of a human skeleton! We found out that the main functions of our bones are to protect our organs, keep our shape and help us to move.

Sonny: *I thought it would be the spine but we found out that is actually made up of lots of little bones.*

Book Fairs

It's time to start getting ready for a reading celebration!

HOW CONNECT-ED SUPPORTED YOUR SCHOOL COMMUNITY IN 2023-2024

Connect-Ed
Mental Health Services for Schools

Thank you to *Connect-Ed* for the support they offer St Mary's

Last year, your therapist Clara helped 5 children at St Mary's Catholic Primary. In the therapy sessions, they used activities like play, art, and talking to help the children understand and share their feelings.

We also delivered two training workshops to your teachers and teaching assistants, where we helped them learn more about how to support children who might need a bit of extra help with their feelings and learning.
