September and October 2024

Year 5

Y5 were in their groups learning how to breathe under water and push the stomach out when they are floating. They used floaties and without.

Jasmine: We had to breathe under water! It was so much fun!

Nursery

The children were learning to match handprints to make a pair. They were using key words such as same, match, small and big.

Anastasia: It's big

Year 3

Year 3 continued learning about modern and traditional architecture this week in Art. They worked in groups to place famous buildings in order of when we thought they were built.
Eldana: *I thought the Parthenon was the oldest building because it looked like ruins and I was right. It was built in 447 BC.*

Cameron: *I thought the Great Stupa was the oldest but it was the second oldest. I found it inspiring.*

Sonny: *The Guggenheim museum is an example of modern architecture because it was built in the last 30 years, in 1997.*

Ruby: *Next, we looked at bed systems and designed our own. We included a bed, ladder, shelves, a wardrobe and desk.*

Year 6

Children had a quick warm up on the court. They then practised rallies and positioning themselves in the correct lines of the court.

Children as always had a wonderful times playing tennis in pairs.

Dequan: *I am getting better each time and I feel more confident now when I play.*

Year 4

When we read we create mental simulation of the activities, sights and sounds of scenes in a story.

Nicolas: *I like to read in our cosy library, it's just a different atmosphere.*

Emilia: *I enjoy listening to stories and Ms McAveety can put on funny voices.*
