

Dear Parents and Carers,

Attached are your child's spellings for this half term. These are the words they will be learning and practising each week in class. Children will be tested on their spellings every **Friday**. To support their learning at home, each child has individual login details for **Spelling Frame**, an online platform that provides fun and engaging ways to practise spelling rules and word lists. Your child's class teacher will provide you with their login details so you can access the website and support them with regular practice. Thank you for your continued support in helping your child to become a confident and accurate speller.
