

PE & Sport Premium 2025–26 – Governor Summary

The 2025–26 PE and Sport Premium allocation was fully utilised, with a strong emphasis on extra-curricular provision and widening participation for SEND, disadvantaged pupils and girls. Mr Bunga has now taken over as PE Lead and will oversee the school's PE and Sport Premium priorities for 2026–27, including equipment/resources, competitive sport and monitoring swimming outcomes.

St Mary's received **£17,320** in PE and Sport Premium funding for 2025–26, with the full allocation spent during the academic year and no funding carried forward.

The largest area of investment was extra-curricular opportunities (£10,644). Funding also supported equipment and resources (£1,000), memberships/subscriptions (£1,300), School Games Organiser network activities (£1,300), external competitions (£500) and external coaching (£2,500). No funding was recorded against staff CPD.

Importantly, spending was specifically targeted to improve access and opportunities for pupils with SEND, disadvantaged pupils and girls, supporting the school's wider priorities around inclusion and equitable access to enrichment.

Year 6 swimming outcomes were:

- **82%** could swim competently, confidently and proficiently for at least 25 metres.
- **71%** could use a range of strokes effectively.
- **82%** could perform safe self-rescue in different water-based situations.

Looking ahead to 2026–27, the school has identified equipment/resources and school sports competitions as the areas where targeted support from the new PE and School Sport Partnerships Network would be most beneficial.
