

Year 5 Homework Expectations

Dear Year 5 families,

Homework will be **sent home on Mondays** and it is to be **completed and returned the following Monday**.

Students will be tested on their weekly **spellings and times tables every Friday morning**. We ask that homework is **completed fully** and to an **appropriate standard**, and submitted on time. Where homework is incomplete, not completed, or becomes consistently below the expected standard, **appropriate school sanctions may be applied**, including missed break or lunch time. This applies to reading records too which are to be signed daily.
